## ◇ Outline and characteristics of the course for Teacher Training Students

### 1. Japanese Language Education (2019.10~2020. 3)

Students take intensive Japanese language program provided by the Center for Japanese Language and Student Exchange for the first six month as research student. Lessons are provided 10 hours per week according to the Japanese proficiency level of the student. Classes are divided into three levels as elementary, intermediate, and advance.

### 2. Specialized Training (2020. 4~2021. 3)

According to each student's specialized subject, one or more faculty members will supervise him/her. The student will take seminars and lectures for a year under the supervision of the professor(s). The student must submit a thesis (Japanese or English) at the end of the course.

### 3. Practical Training, Participatory Subjects (field trips and regional exchanges)

Students will visit elementary schools and junior high schools in town and talk about their country, lifestyle, culture, customs, etc. By actually visiting schools, students can experience what the Japanese education is like as well as deepen the understanding of the field of Japanese teaching through interaction with children and teachers.

### 4. Japanese Culture Experience

Japanese Culture classes are included in the intensive Japanese Language Program. Students are able to experience traditional Japanese culture such as Japanese dance, Flower arrangement and Tea ceremony.
