◇ Outline and characteristics of the course for Teacher Training Students

1. Characteristics

The Committee for International Students was established with the cooperation of all the members of the Faculty of Education. It aims to help international students achieve success in their study or research goal. They leave the door open to talk and are student-friendly. Parties, study tours, and various curriculums will be offered for International students.

2. Number of students to be accepted: 5

3. Japanese Language Education (2021.10~2022. 3)

Students take intensive Japanese language program provided by the Center for Japanese Language and Student Exchange for the first six months as research student. Lessons are provided 10 hours per week according to the Japanese proficiency level of the student. Classes are divided into three levels as elementary, intermediate, and advance.

4. Specialized Training (2022. 4~2023. 3)

According to each student's specialized subject, one or more faculty members will supervise him/her. The student will take seminars and lectures for a year under the supervision of the professor(s). The student must submit a thesis (Japanese or English) at the end of the course.

5. Practical Training, Participatory Subjects (field trips and regional exchanges)

Students will visit elementary schools and junior high schools in town and talk about their country, lifestyle, culture, customs, etc. By actually visiting schools, students can experience what the Japanese education is like as well as deepen the understanding of the field of Japanese teaching through interaction with children and teachers.

6. Japanese Culture Experience

Japanese Culture classes are included in the intensive Japanese Language Program. Students are able to experience traditional Japanese culture such as Japanese dance, Flower arrangement and Tea ceremony.
