Global Discovery Programme

Immerse in the Culture and discover the wonders of Brunei Darussalam through study trips, hands-on experience, seminars and many more!

What is GDP?

It is a short-term programme that brings together participants from around the world. This distinctive programme by Universiti Brunei Darussalam (UBD) provides participants the unique experience to learn and immerse themselves in the wonders of Brunei Darussalam.

The GDP offers 4 courses through which the participants can accumulate up to 4 credits:

- Discover Brunei Course (DBC)
- Discover Malay Culture (DMC)
- Global Leadership Summer School (GLSS)
- Intensive English Proficiency Course (IEPC)

Fees & Payment

USD 1500 (for students from UBD's partner universities)

GDP fees include:

- Airport transfer
- Accommodation
- 3 meals per day
- Excursions
- Local transport

It is the responsibility of the students to take care of their return airfare, travel insurance and personal expenses.

Travel & Accommodation

UBD will assist in applying for a visa on arrival. Participants are expected to arrive a day before the GDP commences. While undergoing GDP at UBD, participants will be housed on-campus at UBD's Core Residential College apartments comprising 5 air-conditioned individual rooms in each apartment. Laundry and cooking facilities are provided in each apartment.
